Dear parents, patients and friends,

After 45 years with Clarkstown Pediatrics I shall be retiring on June 30th of this year.

Of course, all the records of patients I have seen will remain available in the computerized medical records of Clarkstown Pediatrics. I strongly suggest that you continue with one of our providers, all of whom I can strongly recommend.

If you were only an endocrine patient, I would suggest you consult your primary care provider for a new endocrine specialist. If needed we can also help you find a new endocrinologist.

I wish to thank all of you who have entrusted me with the care of your children. It has been my privilege.

Thank you,

A handwritten signature in black ink that reads "Elliot J. Siegal, MD". The signature is written in a cursive style with a large, prominent "E" and "S".
