Declared
August 28th
"Frank Medici Day"
in
Rockland County!

Dr. Frank Medici, the founder of Clarkstown Pediatrics, recently retired as the President and Chief Executive Officer of Nyack Hospital. He began a pediatric practice at our 259 N.Middletown Road office in 1966. He continued practice there and at the Nyack office until two years ago. He had been the Director of the Department of Pediatrics at Nyack Hospital for seven years prior to becoming hospital president, and was responsible for our affiliation with New York Medical College and Westchester Medical Center. He began our pediatric residency program in 1985, and remains as a professor of pediatrics at New York Medical College.

Dr. Medici plans to continue serving on the Nyack Hospital Board and Foundation, and to continue teaching our pediatric residents as a visiting professor. His new position will be Medical Director of the Oxford HMO in Darien, Connecticut. We wish him good luck in his new position!
