February 2024

Dear Clarkstown Pediatrics Families,

We are pleased to share with you that on March 4, 2024, we will be joining Northwell Health Physician Partners. Northwell Health Physician Partners is a multispecialty group practice with over 4,000 world-class physicians employed by Northwell. We have always taken great pride in our comprehensive, compassionate, and dedicated approach to your children's care, and joining Physician Partners will enable us to continue our commitment to your children's health and well-being.

As part of Northwell Health Physician Partners, we can provide additional benefits, including administrative and clinical resources, to help provide exceptional, comprehensive, and quality care. Northwell Health Physician Partners accepts almost all insurance plans currently accepted by Clarkstown Pediatrics and some additional plans as well.

Unfortunately, Northwell does not currently have a contract with MVP commercial, Medicaid, or Child Health Plus Plans. MVP Medicaid and Child Health Plus families may have an option of switching to a different plan accepted by Northwell.

There will be some changes in our billing, and the bills will look different. They will be issued under Northwell Health Physician Partners.

We expect these changes will have minimal impact on your experience with our office. With these changes, one thing that remains constant is our commitment to you. If you have any questions or concerns, please call (845) 623-7100.

We want to take this opportunity to thank you for the privilege you have given us to provide your care. We are committed to exceeding your expectations and welcome your feedback so we can accomplish this for you and your family.

Kind regards,

The Doctors of Clarkstown Pediatrics
